

THE AVENUES MEDICAL CENTRE NEWSLETTER

May 2020

BANK HOLIDAY FRIDAY 8TH MAY

To help with the increased demand due to Coronavirus, the Practice will remain open as usual on bank holiday Friday 8th May from 8.00am to 6.30pm for routine healthcare appointments.

Please ring the reception team first on 01482 343614 to discuss your healthcare needs and have an assessment.

To access the 111 online coronavirus service, search 'nhs coronavirus'

During COVID-19 it's still vital to take your children to get their vaccinations to protect them from preventable diseases.

As long as you, your children, or anyone in your household does not have any symptoms, you should still go to your appointments.

The Avenues Medical Centre Newsletter

We understand that many in our community will be concerned about what the next few days and weeks will bring. Our practice team are also concerned but are working hard to continue to provide care.

As a team, we are reviewing national guidance daily and adopting new ways of working to keep you, our patient community, safe. Minimising your exposure to COVID-19 symptoms and saving the lives of the most vulnerable people in our community is our priority.

At the same time we need to keep our teams safe and well so they can keep on working to provide patient care.

Requesting Medication during the Covid19 Pandemic

To reduce the amount of people attending the surgery, please order your repeat prescriptions by telephone or email instead of dropping your medication request off in person.

Our email address for this is: hullccg.prescriptions-B81035@nhs.net. Please give your full name, date of birth and address, followed by the medication required.

We will send all prescriptions electronically to the pharmacy. If you are not already signed up for this service, please let us know the name and address of the pharmacy you wish your prescription to go to.
