

THE AVENUES MEDICAL CENTRE NEWSLETTER

October 2020

Face Coverings

Face coverings must now be worn in shops, hospitals and transport to help protect others. There are some exemptions - but you do not need a letter from your doctor.

Flu Season 2020/21

.We held our very first socially-distanced Flu Clinic at the KCOM Stadium on the 1st October 2020. This proved to be very successful.

We will be holding our second clinic at the same venue on Tuesday 13th October 2020. If you have not already managed to book your flu vaccination appointment, please call the surgery on 01482 343614.

PLEASE NOTE: Your text message appointment reminder for this day will state that the appointment is at the surgery. Please ignore this as we cannot change the messages which are sent automatically by the system. We apologise for any confusion.

We are grateful to all our patients who have co-operated with the change of venue

Please ensure that your mobile number is up-to-date, as the surgery is now using SMS text messages to contact you.

**Telephone prescriptions are only taken by telephone between 2pm—5pm,
press option number 2**
