

Coronavirus in Numbers

The Avenues Medical Centre

Throughout the COVID-19 Pandemic, the Surgery has remained open and provided additional capacity to our patients through new digital consulting solutions.

We also opened over the Bank Holiday weekends.

We are now starting to reflect on the last 6 months and wanted to share some of the data from our patients.

Data was gathered between March 1st –September 21st 2020 for 6,925 patients registered with The Avenues Medical Centre
